Hey Greg,

I wanted to follow-up our conversation of yesterday and take you up on your kind offer to meet with Marcia and I concerning air-related EEPI cases/activities (e.g., the recent WV inspections; last year's Eagle Ford results). D. Hindin again mentioned today that he would like to have an EEPI briefing with the Executive Board. Although he did not give a date for the briefing, it would be helpful for Marcia and I to meet with you so we can be current on the various work.

Right after we meet, we can then get on the EEPI SIT call. I have reserved Rm. 7140 for both our meeting and the call.

Thanks.

Rob
